OFFICE OF THE DIRECTOR,

Dated Bangalore, 17th June, 1935.

FROM S. Abdul Wajid, Esq., B.A.,

Director of Industries and Commerce in Mysore,
Bangalore (India).

REV. SECRETARIAT 5951 22 JUNE 1935 DEVELOPMENT BRANCH

To

M. Venkatanaranappa, Esq., B.A.,
Secretary to the Government of Mysore,
Development Department, Bangalore.

SIR,

I have the honour to state that the lease of the building now occupied by the Industrial School at Chickmagalur, sanctioned by Government for one year from 1-7-1934 at Rs.60/- per month in G.O.No.646-7/I&C.218-33-4 dated 28-7-1934 expires on 30-6-1935.

The Superintendent of Industrial School, Chickmagalur, in his letter No.935/34-35 dated 25-3-1935, reported to me that Dharmapravartha M.L. Nagappa Setty, the present landlord, failed to attend to the required repairs and whitewashing etc., in spite of several reminders in the matter and requested me to obtain the necessary sanction of the Government for the further continuance of the current lease of the building, provided the landlord agreed to attend to the urgent repairs to the present rickety building immediately. But on an inspection by the Industrial Engineer, it was found that the building was quite unsuited for the school as it was, and even if the repairs should be effected, the accommodation and the location will not be suitable after the proposed reorganisation of the school was effected.

There are two other buildings - those of Messrs. C.P.Basave Gowda and F. Sorabjee - which may with a little modification suit our purpose.

With a view to choose the best amonst these, including the present one we are occupying, the Deputy Commissioner, the District Board President, and the Executive Engineer of Kadur District, and the Industrial Engineer, met at Chickmagalur on the 27th April 1935 and selected the building of Mr. F. Sorabjee as most suitable, being situated away from the residential quarters and the new hospital, as the reorganised institution will be equipped with certain machinery which in working, owing to the noise and the smoke, will prove a veritable nuisance to its neighbours if they are too close to it.

I had accordingly asked Mr. Sorabjee to execute an agreement to lease the property for a period of 5 years on the present rental of Rs.60/- per mensem and to effect all the alterations and additions necessary, which he has executed and which I enclose for the information of Government, together with the blue print of the building.

I request you to kindly obtain the orders of Government to shift the Industrial School from the present building to the new

new building of Mr. Sorabji and their approval of the lease. The cost of transhipment of the tools and plant will be met out of the contingent grant provided under "28 I&C.7. Industrial Schools".

The registered lease deed and the blue print may kindly be returned when done with.

I have the honour to be,
Sir,
Your most obedient servant,

for DIRECTOR.
